ORDER

The United States has submitted an application pursuant to 18 U.S.C. § 2705(b), requesting that the Court issue an Order commanding Facebook Inc., an electronic communication service provider and/or a remote computing service, not to notify any person (including the subscribers or customers of the account(s) listed in the warrant) of the existence of the attached warrant until further order of the Court.

The Court determines that there is reason to believe that notification of the existence of the attached warrant will seriously jeopardize the investigation, including by giving targets an opportunity to destroy or tamper with evidence, intimidate potential witnesses, and endanger life or physical safety of an individual. See 18 U.S.C. § 2705(b).

IT IS THEREFORE ORDERED under 18 U.S.C. § 2705(b) that Facebook Inc. shall not disclose the existence of the attached warrant, or this Order of the Court, to the listed subscriber or to any other person, unless and until otherwise authorized to do so by the Court, except that Facebook Inc. may disclose the attached warrant to an attorney for Facebook Inc. for the purpose of receiving legal advice.
